

## MANITOWOC COUNTY CLERK OF CIRCUIT COURT SMALL CLAIMS PROCEDURAL INFORMATION

There is a \$10,000 statutory limit for small claims. If a party is seeking more than that amount, the action should be commenced through large claims civil proceedings. The exception to this is eviction cases, which, regardless of the amount claimed, are filed in small claims court. You may process your small claims action without an attorney. However, if you choose not to have an attorney represent you, you will be responsible for all aspects of your case, including filing, service on the parties, preparing any necessary documents, any required court appearances, and taking any post-judgment action to enforce collection of the judgment. The Clerk of Circuit Court staff is not allowed to answer legal questions nor assist in “how to” prepare documents. You must either rely on your own judgment and interpretation of the statutes or contact an attorney for assistance. Small claims forms packets are available upon request from the Clerk of Court office or the Clerk of Court website or small claims circuit court forms can be accessed through the state court website at [www.wicourts.gov](http://www.wicourts.gov).

**FILING FEE.** Check with the Clerk of Circuit Court staff or web site for current filing fees. **Filing fees are non-refundable.**

**SERVICE.** For money judgments, if the defendant resides within Manitowoc County, they can be mail served by the Clerk of Court for a \$2.00 mail service fee per defendant. If the defendant resides outside of Manitowoc County, they will need to be personally served. Eviction actions and some replevin actions require personal service upon the defendant. In an eviction, if the defendant cannot be personally served, the Sheriff or Process Server can post the Summons and Complaint on the premises, but in order for judgment to be entered for any money damages in an eviction, personal service is required (or mail service, if allowed by county rule). Information on process servers within Manitowoc County is available upon request from the Clerk of Court office. If personal service is required, **it is your responsibility to file the Proof of Service** before the assigned court date. The case will be dismissed if the proof of service is not filed. *See Form SC-6050V – Basic Steps to Small Claims Service.*

**AUTHENTICATED COPIES OF SUMMONS AND COMPLAINT REQUIRED FOR SERVICE.** Authentication of copies is the file stamping process and assigning of case number done by the Clerk of Court office. Any attachments made to the original Summons and Complaint must also be copied and attached to each authenticated copy of the Summons and Complaint.

**AFFIDAVIT OF NON-MILITARY SERVICE** (GF-175) must be on file for each individual defendant before a default judgment can be entered, to confirm that the defendant is not currently on active duty in the military service. This form and instructions are available upon request through the Clerk of Court office or can be accessed through the state court website at [www.wicourts.gov](http://www.wicourts.gov). A separate affidavit should be filed for each defendant. This affidavit can be filed along with the Summons and Complaint, or at any time up to entry of judgment.

**EVICTION ACTIONS** are always filed as a small claims action, regardless of total damages being sought. Before filing an eviction action, you must serve proper notice terminating tenancy according to Chapter 704 of the Wisconsin Statutes. Proof of this notice being served on the tenant(s) will be required before an eviction is granted. Personal service is required for eviction actions. *See Form 6010V – Basic Steps for Handling a Small Claims Case for Eviction.*

**EVICTION ACTIONS REQUESTING MONEY JUDGMENT.** In an eviction action that also requests a money judgment, *if the complete extent of money damages is known*, a specific dollar amount could be entered. If there is no appearance made by the defendant, a default judgment could be granted in this amount. If defendant appears and contests plaintiff's claim, a commissioner hearing could be scheduled. *If the exact extent of damages is not yet known at the time of filing*, plaintiff could indicate "hold open" in the blank where the dollar amount for the money judgment would be indicated. In the case where the damages claim is being held open, a **commissioner hearing** will be scheduled, where the plaintiff is afforded an opportunity to compile and present a complete claim for actual damages being sought against the defendant. Plaintiffs are encouraged to file their damages list with the court prior to the damages hearing, and copy the defendant with said list, but can present said list at the actual damages hearing. Both parties will receive notice of the damages hearing, so there is an opportunity for both sides to address the extent of damages being sought, and to dispute the same, before judgment is entered. Non-appearance of plaintiff may result in dismissal of the money judgment; non-appearance of defendant may result in a default judgment being entered. The judgment granted for an eviction is separate and distinct from the judgment entered for a money judgment. All costs will be included on the money judgment, to eliminate the need for two docketing fees (and satisfaction fees) to be required.

**MONEY JUDGMENT ACTIONS.** *See Form 6020V – Basic Steps for Handling a Small Claims Case for Recovery of Money (\$10,000 or less).*

**REPLEVIN ACTIONS (recovery of property).** *See Form 6030V – Basic Steps for Handling a Small Claims Case for Replevin (Recovery of Property).*

**AGREEMENT AND ORDER FOR STIPULATED JUDGMENT OF DISMISSAL** can be entered into by parties seeking an agreement for installment payments of the amount due. A forms packet and instructions are available upon request from the Clerk of Court, or the forms can be accessed through the Manitowoc County Clerk of Circuit Court website. This stipulation would be presented to the court on or before the initial appearance date. Upon the Court's signature on the Order, the clerk would enter a stipulated dismissal. If, after entry of the stipulated dismissal, the defendant defaults on the agreement for payment, the plaintiff may file an Affidavit of Default requesting the stipulated judgment to be vacated and for judgment to be entered against the defendant for the balance due.

**COURT RETURN DATE (initial appearance date):** Initial appearances on small claims actions are heard on Tuesdays at 1:30 p.m., in Room B-15, in the lower level of the Manitowoc County Courthouse (except when there is a holiday during that week). Check with the Clerk of Court for available initial appearance dates, or the small claims intake calendar is posted on the Manitowoc County Clerk of Circuit Court website. On cases involving unrepresented plaintiffs and defendants, **both sides are required to appear in person at the initial appearance.** When your case is called by the clerk, both parties proceed to the front of the court and will be seated at the counsel tables.

**ANSWER (STATEMENT OF DEFENSES).** If a defendant disputes the claim(s) being made by plaintiff, an Answer (Statement of Defenses) will be required to be filed by defendant. This form will be provided to defendant by clerk at the return date, and defendant is given 10 days from return date to file Answer. The original Answer gets filed with the Clerk of Court, with a copy mailed or furnished to each opposing party or counsel. *See Form 6040V – Basic Steps for Filing an Answer to a Small Claims Complaint.*

**DEFAULT JUDGMENT.** If there is no appearance by the defendant at the initial appearance date, a **default judgment** may be granted (as long as proper service has been accomplished and Affidavit of Non-Military Service is on file). Both parties will be mailed notice upon entry of a default judgment.

**COMMISSIONER HEARING.** If defendant appears at the small claims initial appearance date and contests the plaintiff's claim, a **commissioner hearing** will be scheduled where both parties will be required to appear and are given an opportunity to present their respective sides of the case and provide any supporting documentation to substantiate their claims.

**JUDGMENT ON EVICTION/WRIT OF RESTITUTION.** Upon the Court granting a judgment for eviction, the Court shall order that a Writ of Restitution be issued, to restore possession of the premises to the plaintiff. The Writ of Restitution is prepared by the Clerk of Court, and then needs to be delivered to the Sheriff's Department for execution. Arrangements need to be made with the Sheriff's Department for advance payment of the service fee. A request for a Writ of Restitution is available at the Clerk of Court's office, or on the Clerk of Court website. There is a \$5.00 fee payable to the Clerk of Court for a Writ of Restitution. See §799.44, Wis. Stats.

**MONEY DAMAGES JUDGMENT/DISCLOSURE OF ASSETS.** Upon entry of a judgment for money damages, the judgment debtor is ordered under penalty of contempt to mail or deliver a completed Financial Disclosure Statement to judgment creditor or Clerk of Court within 15 days of entry of judgment, unless the judgment is satisfied sooner. Failure of judgment debtor to comply with this order may result in a motion for contempt brought by judgment creditor. See §799.26, Wis. Stats.

**STATUTORY INTEREST ON JUDGMENT.** Pursuant to §815.05(8), Wis. Stats., interest shall accrue on judgments at the statutory rate of 12% per annum from the date of entry of judgment until it is paid in full, and is a recoverable cost for judgment creditor.

**MOTION TO REOPEN.** If you feel that a judgment has been unfairly entered against you, you may petition the court with a Motion to Reopen, setting forth the circumstances at issue. If the Court believes your motion sets forth a valid reason, and your request is statutorily timely, the Court may grant your motion, vacate the judgment, and schedule the matter for a commissioner hearing. See §799.29, Wis. Stats.

**DEMAND FOR TRIAL.** If you disagree with a decision made by a Circuit Court Commissioner, you may file a Demand for Trial, requesting a Circuit Court Judge to review the decision made by the Circuit Court Commissioner. The original demand must be filed with the court, with copies mailed to the other parties within 10 days of an oral decision by the Court Commissioner or 15 days of the date of mailing of a written decision. Mailing of the Demand for Trial and proof of such mailing is the responsibility of the party seeking review. See §799.207(3), Wis. Stats. There is **no filing fee** for filing a Demand for Trial.

**DEMAND FOR JURY TRIAL.** Any party who wishes to preserve their right to a jury trial before a circuit court judge must pay an additional fee of \$89.00 (jury request filing fee - \$53.00 and 6-person jury fee - \$36.00). See §799.21, Wis. Stats. for more information. Pursuant to local court rule, all contested matters will first proceed to a hearing before a Court Commissioner prior to a jury trial. **This jury demand fee is non-refundable.**

**NEW TRIAL.** A motion for a new trial must be made and heard within 20 days after the verdict is rendered, unless the Court extends the time as provided by statute. See §799.28, Wis. Stats. for more information.

**DOCKETING A JUDGMENT.** Upon granting of judgment, plaintiff may docket their judgment by paying a \$5.00 docket fee at the Clerk of Court office. A docketed judgment becomes a lien against any real property of the judgment debtor for 10 years, in the county where judgment is rendered. You may docket the judgment in other counties where the judgment debtor owns real estate, so it becomes a lien on that real estate as well, by filing a Transcript of Judgment from the original judgment and docket lien with the other county. See *Form SC-6060V – Basic Steps for Docketing a Judgment for Collection.*

**ENFORCEMENT OF JUDGMENT.** An action on a judgment of a court of record must be commenced within 20 years after the judgment is entered, or be barred. Prior to expiration of the initial 10 year period, the judgment creditor can extend or redocket the lien for a second 10-year period by bringing a motion before the court, giving appropriate notice to the adverse party, and paying the docket fee. A judgment can be redocketed for a second 10-year period, but the redocketed judgment period cannot exceed the 20-year period from the initial entry of judgment. See §§806.10, 860.15, and 893.40, Wis. Stats. Once a party has been awarded a judgment, it is that party’s responsibility to enforce collection of the judgment, not the Court’s. There are various legal remedies available to enforce payment, such as garnishment or execution on the judgment. See *Form SC-6070V – Basic Steps for Handling a Small Claims Earnings Garnishment; or Form SC-6080V – Basic Steps for Handling an Execution Against Property; or Form SC-6090V – Basic Steps for Collecting on a Judgment for Money; or Form SC-6100V – Basic Steps for Collecting on a Judgment for Replevin.*

**SATISFACTION OF JUDGMENT.** When a judgment has been paid in full, the judgment creditor shall sign a Satisfaction of Judgment to the judgment debtor for filing with the Court. The judgment debtor must pay a \$5.00 satisfaction fee to file the Satisfaction of Judgment with the Clerk of Court. Wis. Stats. §806.20 provides a remedy for the Court to direct satisfaction of judgments that have been paid but have not been satisfied due to loss of the Satisfaction or refusal of judgment creditor to satisfy.

**AVOID THESE COMMON FILING ERRORS:**

- Make sure to file your action in the county you list at the top of the pleading (because filing fees are non-refundable if you file in the wrong county by mistake).
- Only one case classification code can be selected (select the one that best describes the main purpose of your action).
- Make sure the Complaint is properly signed and notarized.
- Do not include costs in the money judgment you are seeking. Costs are statutorily awarded if the Court grants your judgment.
