Chair Jacalyn LaBre called the meeting to order at 4:34 p.m. Attendance sheet circulated. Motion to approve minutes of the June 1, 2016 meeting was made by Judge Mark Rohrer. Attorney Ann Larson made the second and minutes were unanimously approved.

Chair LaBre turned the meeting over to Amy Wergin regarding the TAD grant application. Ms. Wergin reported that staff time will be used for a portion of the required match, as well as office space etc. and Inpatient treatment services. Manitowoc County's application is part of the Planning/Implementation group. Six months allowed for planning; balance of year for implementation. Plan is to have the programs administered by the Human Services Department under what will become Lori Fure's division. Guidance would come from the Council or designated sub-committee.

Discussion took place regarding the roles of the court system and agencies in a treatment court set up. Also the number of participants to determine the caseload impact. Initially program would likely begin with 12 persons in a drug court. Funding could come from one of three sources: private insurance, Lakeshore Community Health, or HSD providers. County Executive Bob Ziegelbauer asked a number of questions in order to determine budget impact.

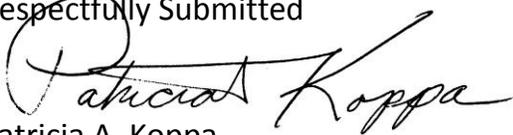

Next order of business was the draft letter of support from the Council. This is a requirement for the application. Without a letter of support, the application would not be considered. Judge Rohrer moved that Chair LaBre prepare the letter along the lines of the draft indicating support of the grant application and proposed programming, both pre-trial services and drug court. Chief Joe Collins provided the second. All present voted in favor.

Ms. Wergin noted that the HSD grant application account will be used to submit the grant.

There will be no general meeting of the Council in August. The executive committee will meet August 15. Workgroups may be able to gather if there is anything to be done prior to learning of the grant outcome. The next general meeting will be September 7, 2016.

Motion to adjourn was made by Chief JoAnn Mignon, second by Chief Collins. Meeting adjourned at 5:11 p.m.

Respectfully Submitted
