## FAIR CORNER

### 2018 MANITOWOC COUNTY FAIR

Mark your calendars for the 2018 Manitowoc County Fair set for August 21-26.

#### Theme and Colors

The 2018 fair theme is **"Your All American Fair."** Colors for the theme are Red, White and Royal Blue.

#### One Day Passes

One day passes are available in the Expo Office and make great gift ideas!

One day passes are only \$10 for ages 4 and over and include admission, parking, Unlimited Carnival rides, music entertainment, and Grandstand. Children 3 and under are Free (does not include rides)

#### Other Passes Available

Season Pass: \$30

Senior Pass: \$6 (60+)

**Veteran's Pass:** \$6 (Proper ID)

All passes include parking, Grandstand and music.

The season, senior and **Veteran's pass** and children who are 3 and under that enter free do not include rides.

Hello all! I am Emily Hutterer, Manitowoc County's Fairest of the Fair for 2018. I graduated from Mishicot High School and continued my education at UW-Manitowoc for two years. Now, in my junior year, I am at UW-Madison where I am majoring in Dairy Science with plans to go to Veterinary School in the future.

I have been having such a great time as Fairest of the Fair so far. I've been in parades, spoken about the fair at the Lions Club and the Noon Rotary meetings, and I was a judge at the ice cream eating contest at Two Rivers' Sundae Thursday. Seeing all those kids try to slam ice cream and end up with a brain freeze was one of my highlights so far.

The Fair is right around the corner, August 21-26, and I hope you are as excited as I am about it. There are so many fun activities to do at the fair! In the grandstand, which is included with the \$10 daily admission, there will be fireworks, modified truck and tractor pulls, tractor pulls, a demo derby, and new this year there will be a battle of the fire departments competition.

A great aspect of the Manitowoc County Fair is that with any admission fee including the veteran/senior citizen pass for \$6 or a season pass for \$30, anyone can enjoy the music in the various pavilions.

This year, polka bands will be back in the Family Pavilion starting Wednesday. Also, in the Family Pavilion, there will be exercise classes with HFM Wellness, so after you enjoy some delicious fair treats you can work off the extra calories. I know I'll be stopping in

for a class or two before the fair is over!

If you are looking for a good laugh come watch a few good sports eating cream puffs, including me, **without our hands. It's sure** to be full of laughs and a lot of whipped cream. That will take place on Thursday at 2pm in the Family Pavilion. Prior to the cream puff eating contest is a mini donut eating contest for little ones as well.

New this year in the grandstand, the Battle of the Fire Departments Competition, where different area fire department representatives will work together to

complete a series of competitions.

Also, really exciting this year, Mad Dog & Merrill will be making an appearance to do a few cooking shows, so stop

by and learn how to cook some delicious food.

As always at the Manitowoc County Fair, there are animal shows almost every day, from beef cattle on Wednesday to Llamas and Alpacas on Friday with many others in between.

**On Thursday, I'll be** taking a little break from Fairest of the Fair to exhibit my dairy cattle in the Ice Center so stop out and visit with me and my cows.

A really special event taking place on Saturday night is the Manitowoc **Culver's Futurity at 7pm** to see gorgeous dairy cows with exhibitors dressed in formal wear. Come early as this event always fills all the seats in the Ice Center.

As the fair approaches I encourage everyone to try something new at the fair. As a dairy cattle exhibitor, **I've been accustom to** spend the majority of my time at the fair in the barn with my cows, but this year, as the Manitowoc County Fairest of the Fair, **I'll be at a wide variety of**

activities and events at the fair.

So, I invite all of you to join me in trying something new at Your All American Fair and see **where I'll be at the fair.**

You can follow the Manitowoc County Fairest of the Fair on Facebook. I hope to see you all at this **year's All American Fair** August 21-26.

# Lakeshore Community Job Fair

MANITOWOC, WI, September 18, 2018 – Progress Lakeshore, The Chamber of Manitowoc County, Lakeshore Technical College, Lakeland University, Wisconsin DWD, Manitowoc County Job Center, Sheboygan County Job Center, Sheboygan County Economic Development Corp, and the Sheboygan Chamber will be hosting their 2018 Fall Lakeshore Community Job Fair at Manitowoc County Expo Event and Hosting Fairgrounds in Manitowoc on Tuesday, September 18 from 1pm – 4pm. There will be over 70

employers in attendance with a variety of positions looking to be filled.

The Lakeshore Community Job Fair invites businesses, organizations and job seekers from Manitowoc and Sheboygan counties and beyond to connect with one another to explore job opportunities.

The Manitowoc County Expo Event & Hosting Fairgrounds, merchant building is located at 4921 Expo Drive, Manitowoc, WI 54220.

A list of employers and open positions, along with more information, can be found by visiting the Lakeshore Community Job Fair website at <http://lakeshorecommunityjobfair.org/>.

About Lakeshore Community Job Fair:

The Lakeshore Community Job Fair is a partnership among several organizations in Sheboygan and Manitowoc counties to help employers connect with job

seekers by organizing two community job fairs, one in the fall and one in the spring.

The Job Fairs are designed to be relevant to current job search practices, offering new and innovative ways to engage employers and job seekers when appropriate. We look forward to working with our community. Learn more about the Lakeshore Community Job Fair team at [www.lakeshorecommunityjobfair.org](http://www.lakeshorecommunityjobfair.org).

## NEW K9 Scent Work Trial at the Ice Center

N.E.W K9 Scent Work will be hosting two days of NACSW (Nat'l Association of Canine Scent Work) Nose

Work trials at the Manitowoc Ice Center on September 22-23. Over the two day period, 63 dogs from all over the U.S. (chosen from over 200 teams that entered) will be competing at high levels, K9 Nose Work® is a competitive sport which provides the companion and sporting dog an outlet for their natural hunting and scenting abilities.

It was inspired by the model of working detection dogs. Like professional detection dogs, our dogs train and

test in real world situations. But instead of using drugs and bombs, the dogs are searching for the target odors of birch, anise, & clove on half q-tips.

These dogs search containers, vehicles, interiors, and exteriors in timed searches in new environments, in this case, the Manitowoc Ice Center and its grounds. The judges for these events are K9 police or military handlers

who marvel at the proficiency of these companion dogs. Although this event is not open to the public, there will be some amazing searches going on throughout the weekend.

# Manitowoc County Fair Updates

The 2018 Manitowoc County Fair is set for August 21-26, Your All American Fair!

## Special Olympics 5K Run/Walk

A family recently relocated to Manitowoc and questioned the lack of activities for their adult daughter who has an intellectual disability.

That all changed when they made contact with the Manitowoc County Miracles Special Olympics agency. Rather than sitting at home, her calendar quickly began to fill up with the countless social, physical, and mental opportunities that Special Olympics offers.

Manitowoc County Miracles currently serves almost 200 individuals with intellectual disabilities of Manitowoc County.

It is the largest Special Olympic agency in the state that is run

solely by volunteers and depends exclusively on fundraising to manage fourteen different sports that take place throughout the year.

Proceeds from the Running A-Fair, a 5K run/walk, help make these opportunities become a reality. Since its inception in 2000, the Running A-Fair, has raised over \$100,000, all of which stays in Manitowoc County.

Over 200 participants, including runners, walkers, Special Olympic athletes, and volunteers take part in the run/walk each year. After awards are presented by the Fairest of the Fair, smiles abound as participants enjoy the many activities of the opening day of the fair.

Of course, the 5K run/walk **wouldn't be possible without the** assistance of the staff of the Manitowoc County Fair.

They assist with tickets, registration set up, volunteer along the route, and are always there when needed.

**This year's event takes place** on Tuesday, August 21st, at 6pm with registration starting at 4pm.

All participants get free admission to the fair, receive a Running A-Fair shirt and, of course, donate to a wonderful cause.

Brochures with registrations are available at the fair office and throughout the community. Online registration is also available at [www.runningafair.com](http://www.runningafair.com).

For more information, contact Kris at 920-698-2388.

# Waste Tire Collection

The Manitowoc County Recycling Center recently expanded the tire collection to run from April through the end of October. Earlier events were limited to 2 weeks in September but recent facility changes have allowed us to accept them seasonally. This should provide a more convenient service for our community. Note that the fees and guidelines have changed.

For more information call the Recycling Center at 920-683-4333 or visit [manitowocounty.com/recyclingcenter](http://manitowocounty.com/recyclingcenter).

## Fees and Guidelines

- Pay in the Recycling Center Main Office before dropping off tires
- \$4.00 per car tire or smaller (5 tires or less)
- \$5.50 per standard truck tire (5 tires or less)

- 14.5 cents per pound (\$290 per ton) for road tires including:
  - Quantities of 6 or more tires
  - Semi tires
  - Tires on rims
- 19.5 cents per pound (\$390 per ton) for off-road tires including:
  - Agricultural equipment tires
  - Mining equipment tires
  - Mixed loads containing off road tires
- Bring your waste tires during the listed times for the Main Office
- Collection employees reserve the right to judge, based on tire size and quantity, whether a customer is charged on a per tire basis or by tire weight.
- Customers with dump truck loads or larger quantities of tires must call the Recycling Center before coming
- Rubber products that are not tires are not accepted

# Free Wood Mulch

The Manitowoc County Recycling Center is offering free wood mulch at the Basswood and Woodland compost sites.

This offer is due to reduced demand for biomass fuel in the region and will continue until further notice. The normal charge for this material is \$8 per cubic yard. Our wood mulch is made from shredded brush brought in by residents. Many people use this wood mulch for a ground cover around plantings and flower beds or as a fill layer under more expensive specialty mulches.

## Guidelines

- You may load your own for free at either the Basswood or Woodland Compost Site.
- Loading is available Monday to Fridays from 7:30am to 3:30pm at the Basswood Site only. There is a small loading fee of \$2.00 per load for residents. Stop at the Main Office first. Loading is NOT available on Saturdays.
- Deliveries are available for \$30.50 per 6 cubic yard load within Manitowoc County.
