Provided the Value, Vision, and Mission statements which were created in 2013 and periodically reviewed, most recently in November 2018. Purpose of Detention will be discussed at the February MYIN meeting with DA participation.

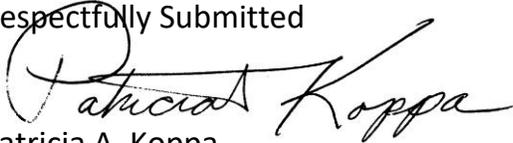

JDAI training has shifted to online. Wisconsin is seeking to get some in-person opportunities with the four sites due to the great benefit seen from that model in the past. Ms. Ledvina noted our struggle with those who are in detention due to lack of resources... repeatedly kicked out of foster placements. Judge Rohrer asked about the DRAI and override/underride. There have been some instances where there were recent disagreements between the players regarding disposition recommendations. New conversations and trainings will result in a new consensus.
