

Hazardous Waste Clean Sweep 2019

Many common items like automotive products, household cleaners, pesticides, and home improvement products are hazardous when used, stored, or disposed of improperly. Look for items that contain the following on their labels: **Danger, Warning, Caution, Poison, Combustible, Flammable, Corrosive, and Toxic.**

Thanks to our participants and volunteers, since our collection started in 1985, we have collected 1,012,978 pounds of unwanted chemicals.

MANITOWOC COUNTY

Residents

- Saturday, **May 18**, 9am - Noon
Manitowoc County Highway Shop
3500 HWY 310, Manitowoc

Farms and Businesses

- Friday, **May 17**, 2pm - 4pm
Manitowoc County Highway Shop

SAVINGS!
For Businesses

REDUCTION IS YOUR FIRST CHOICE!

Before you buy:

- Read the labels
- Choose safer alternatives
- Buy the smallest amount needed for the job

After you buy:

- Follow directions for safe use
- Store properly in the original container
- Share what you can't use
- Dispose of leftovers properly

ACCEPTABLE ITEMS

Pesticides

- Insecticides
- Herbicides
- Fungicides

- Pharmaceuticals

Manitowoc County may modify guidelines at any time to meet the needs of the program.

Other disposal or recycling options exist for many unacceptable items.

Contact the Manitowoc County Recycling Center at 683-4333 or visit Manitowoccounty.com/recyclingcenter

**All residents are encouraged to dispose of latex paint in their regular trash. Just take the lid off and let it dry or add paint hardener or cat litter. Once hardened, latex paint can be disposed of in the trash.*

Hazardous Waste Clean Sweep 2019

HOUSEHOLD GUIDELINES

- Household participants may dispose of acceptable hazardous waste items at no cost on May 18 between 9am and noon.
- Participants must be residents of Manitowoc County.
- Wastes must be brought in the original containers. Keep materials separate. Do NOT mix chemicals.
- Unknown substances and commercial waste will not be accepted.
- To prepare materials for transport, line a cardboard box with a plastic bag, place them in the box and separate with cardboard.
- When arriving at the Clean Sweep disposal site, slow down and follow traffic directions.
- If unable to attend, then ask a neighbor to take your materials for you.
- Practice reduction by switching to safer alternatives or purchasing smaller amounts.

FARM GUIDELINES

- Farms and agricultural businesses must pre-register by May 10. Call 683-4333 for instructions.
- Farmers and rural property owners from Manitowoc County may bring chemicals from active and abandoned farms for disposal at no cost on May 17 between 2pm and 4pm.
- Many types of agricultural operations are eligible for disposal service including: livestock, grain, holiday trees, poultry, fruit, vegetable and aquaculture.
- Non-agriculture operations that bring in farm chemicals should register as a business and may be eligible for a 50% disposal subsidy.
- Drums that have contained, or still contain agricultural chemicals will be accepted.

BUSINESS GUIDELINES

- Businesses must pre-register by May 10. Call 683-4333 for instructions. Late registrants may not be eligible for reduced disposal rates.
- Once registered, businesses will be scheduled a time to arrive on May 17 between 2pm and 4pm.
- Businesses must qualify as a Very Small Quantity Generator (VSQG) through self-certification to dispose of their waste. VSQGs produce less than 220 pounds of hazardous waste per month and store less than 2,205 pounds. Other limits may apply.
- Businesses can be retail, wholesale, manufacturing, commercial real estate, non-profit, schools, churches, golf courses and restaurants.
- Acceptable items include all those previously listed and chemicals associated with:
 - ◇ Business site and grounds maintenance such as pesticides, cleaners, disinfectants and vehicle chemicals.
 - ◇ Manufacturing and process chemicals such as oxidizers, acids, caustics, technical grade chemicals, laboratory reagents, polymers, reactive metals, mercury-based products, etc.
 - ◇ All sludges (weight scale pits, sump pits) are eligible for Clean Sweep. Agrichemical sludge (pesticide containing sludge from mixing and loading operations) is eligible for a 50% disposal subsidy.

Manitowoc County may modify guidelines at any time to meet the needs of the program.
