*** Review the following statements before signing.**

You are responsible for complying with State and Federal Laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the Department Of Natural Resources wetlands identification web page at www.dnr.wi.gov/wetlands/delineation.html or contact a Department of Natural Resources service center.

By signing this application form I acknowledge that I have received this notice regarding wetlands, lakes, and streams.

Statements made in this application shall be made as if made under oath and any willfully false statements shall subject the person(s) making them to the penalties of the County's ordinances.

The person signing this permit application authorizes Manitowoc County Planning and Zoning Department Staff to inspect the premise for conformity to this permit.
