Hello everyone!
My name is Lydia Luebke and I am serving as the 2020 Manitowoc County Fairest of the Fair.

I grew up on a small 150-cow dairy farm in Kiel, Wisconsin where I fell in love with Holstein dairy cows and the agricultural industry. This has led me to pursue a degree in dairy science with a minor in agricultural business, at the University of Wisconsin-River Falls. Outside of school I’m actively involved in UW-RF Collegiate Farm Bureau, Association of Women in Agriculture and Kiel FFA Alumni.

I began showing at the Manitowoc County Fair when I was four years old in the Kiddie Dairy Showmanship program, which then led me to show market lambs and hogs for the past 12 years in the Market Animal Sale Project. I showed with Schleswig Cadets 4-H Club and Kiel FFA throughout my 16-year showing experience and have made numerous friends and learned a lot along the way.

Hello everyone!

Getting involved in 4-H and FFA was one of the best experiences I ever had. Getting involved in 4-H and FFA when I was younger allowed me the chance to improve my public speaking skills and develop confidence.

I strongly encourage you get your children involved by 4-H or FFA so they can exhibit at the fair.

If you are interested in Manitowoc County 4-H Clubs visit the UW-Manitowoc Extension Website and see if one of our 21 clubs are in your area. Children ages 4 and older can enroll in 4-H.

If you are interested in FFA, see if your public-school system offers an FFA program that is open to students 7th grade and up.

You don’t have to live on a farm or show animals to be involved in the fair. You can show projects such as art, sewing, baking, or even wood working at the fair the opportunities are endless.

As Fairest of the Fair, I will be appearing at numerous events throughout this coming year including parades, picnics and festivals through Manitowoc and the surrounding counties.

Donations
In 2019, the Ant Hill Mob donated over $50,000 to charities throughout the county.

In 38 years, the Ant Hill Mob has donated over $1,000,000 to charities in the Manitowoc Community.

The fairest of the fair is the official ambassador for the fair and strives to educate everyone about where their food comes from and the farmers hard at work behind each product.

Wisconsin’s agriculture industry is an 84.8 billion dollar industry and one of the biggest in the United State. In future articles, I will be diving into the importance of the agriculture industry and the importance of Manitowoc County in Wisconsin’s agriculture industry.

I hope to see you soon at the Manitowoc Memorial Day Parade on May 25.

Also, mark your calendars for the 2020 Manitowoc County Fair, Stars, Stripes and Fair Delights, August 26-30.

Until next time,
Lydia Luebke

Badger State Games

Manitowoc County Figure Skating Club Participates in Badger State Games Figure Skating Competition 2020

Thirty-six members of the Manitowoc County Figure Skating Club participated in the 2020 Badger State Winter Games, January 30-February 2 in Mosinee. Skaters winning a gold, silver or bronze medal in any event qualify for the 2021 State Games of America, to be held in Des Moines, Iowa in July 2021.

The club also placed second overall in the team competition for most medals earned.

The club brought home a total of 57 medals – 21 gold, 15 silver and 21 bronze, including a gold for the MCFSC Magic Synchro Skills 2 team, and a bronze for MCFSC Magic Synchro Skills 3. The showcase ensemble “Dinosaur” earned a gold medal, and the showcase duet “Love is an Open Door” earned a bronze.

Congratulations to all skaters and coaches!

Fox Cities Invitational

Twenty-four members of the Manitowoc County Figure Skating Club participated in the 2020 Fox Cities Invitational, January 10-12 at the new Community First Champion Center in Appleton. MCFSC skaters earned a total of 42 medals – 13 gold, 17 silver and 12 bronze. The club also placed second overall in the team competition for most medals earned.

Additionally, three skaters, Morgan Kronforst, Ashlynn Forster and Maria McClain qualified to skate in the “artistic recall” event, where Morgan placed 2nd and Ashlynn 3rd.

MCFSC skaters who attended Fox Cities Invitational (Front row, left to right): Trista Dickson, Sonya McClain, Lulu Linboom, Grace Backus, Auddra Loritz, Claire Rimmer, Emerson Brusky, Paige Endries, Aliyah Hanson, Ella Meyer, Brianna Schueller, Hallie Schroeter, Miley Schamburek, Calli Dodge, Kiera Dickson, Phoebe Cigler, Hannah Nickels

(Back row, left to right): Rebecca Weigel, Maddie Lulloff, Nicole Beilke, Lyndsie Lulloff, Taylor Keesling, Ashlynn Forster, Natalie Braun, Maggie Klinkner, Makayla Fidler, Elizabeth Landon, Elizabeth Hansen, Jenna Schamburek, Maria McClain, Emma Klett, Morgan Kronforst, Tessa Campbell, Megan Endries, Christine Brunner, Olivia Meyer, Ayanna Heimerl
Presented by the Manitowoc County Figure Skating Club

MCFSC Candy Factory, the 24th annual ice show presented by the Manitowoc figure Skating Club will be performed at the Manitowoc County Ice Center.

Performance Dates/ Times
- Friday, March 20 7:00 PM
- Saturday, March 21 2:00 PM & 7:00 PM
- Sunday, March 22 2:00 PM

The show features 120 local skaters, ages 3 through adult.

The skaters include all levels of the figure skating program from the very beginner Snow Plow skaters to the MCFSC competitive Club Skaters.

In MCFSC Candy Factory the audience will enjoy skaters skating to songs from many favorite sweet songs like Lollipop, the Candy Man and many other surprises including Oompa Loompas and an amazing chocolate factory.

As part of a local tie-in, the club will be selling Beerntsen's candy bars at each show, with five winners receiving Beerntsen's candy prizes.

The Learn-To-Skate skaters have worked hard to learn their routines, and the main characters have invested many hours creating their characters for the show.

The most important part of the ice show is that the skaters enjoy performing for the audiences and showing the skills that they have learned throughout the year.

The ice rink will be transformed into a stage with backdrops, props and theatrical lighting.

The skating that the audience will experience will be enhanced by a variety of beautiful costumes and special effects.

MCFSC is grateful for ice show sponsors and their support.

Tickets are available at the ice center during evening rehearsals on Tuesdays and Wednesdays between 5-7 pm or at the door on the day of show.

Tickets are $8 for adults and $3 for children (12 and under).

For more information contact Ice Show Director, Chris Pawlowski at 920-973-6756.

If there is interest in participating in a club to enter exhibits into the 2020 Manitowoc County Fair, please contact the 4-H Extension office at 920-683-4169.

Participants may also register with the local school FFA Chapters or girl or boy scouts, if interested in exhibiting at the fair.

Home Builders Show - Apr 3-4

The Manitowoc County Home Builders Association (MCHBA) is pleased to announce the 40th Annual Home Show will be held at the Manitowoc County Ice Center on April 3-4.

The Home Show hours are Friday from 4pm to 8pm and Saturday from 10am to 4pm.

Admission is $5 per person with children under 10 free.

As in the past, the MCHBA will be building a house of food. Attendees can receive $1.00 off their admission when donating two nonperishable items to the show!

MCHBA is again excited to welcome Melinda Myers, nationally known gardening expert, TV/radio host, author, columnist & speaker! She will be giving two presentations on Saturday and will also offer Q&A during book signings in between presentations. More information about Melinda can be found at www.melindamyers.com

But, one of the best things about the Home Show is that it can be enjoyed by a wide variety of audiences with activities to enhance your “home” lifestyle. For those dreaming to build a new home, the show provides a wonderful opportunity to learn about land developments in the area and meet a variety of home builders and realtors. Or visit with home industry professionals to discuss your existing home project and learn about home improvement trends.

The show also features all of the products and services you will need for new construction, remodeling, or any home improvement project…all under one roof.

In addition to home projects, join us for a home cooking demonstration. Do some... (Continued on page 9)

4-H Pinewood Derby

Order Your Pinewood Derby Car Now!
Manitowoc County 4-H will be holding their 10th annual Pinewood Derby competition on Thursday, April 16 from 6pm - 9pm, at the Manitowoc County Ice Center.

What is a Pinewood Derby? Youth take a block of wood (7" long by 1½" wide by 1" high) and they cut, carve, whittle, and sand it into the shape of a vehicle.

They then add two axles and four wheels and race it down a 42 foot aluminum track.

There is no motor to power the car, the track is elevated at one end and gravity pulls the car down the track. The car’s speed is really dependent on two factors – air resistance and friction.

The Pinewood Derby fits well within the 4-H program and it is a great way to engage youth of all ages in a project that involves science, technology, engineering, and math, as well as creative design.

At the event, trophies will be awarded to 1st, 2nd, and 3rd place finishers for each age division and trophies will be awarded for the best finished cars (Best of Show) and the slowest cars (Best Fuel Economy). Age divisions for the Pinewood Derby are: Cloverbud (Grades K-2), Elementary (Grades 3-5), Intermediate (Grades 6-8), Senior (Grades 9 – 12), and Adult (must be related to a 4-H member).

Pinewood Derby Car Building Workshop – Tuesday, March 17
We will again be hosting a Pinewood Derby car building workshop on Tuesday, March 17 from 5:30pm-7:30pm at the Manitowoc County Office Complex for youth who need help with their car.

Recycling Center
Electronics Recycling

The Manitowoc County Recycling Center has an ongoing electronics collection program.

A variety of electronics items are accepted for a fee including televisions, computer equipment, kitchen gadgets, electric tools and many other things with plugs and batteries.

Items that are not accepted include Freon containing appliances like air conditioners, dehumidifiers, or refrigerators, as well as bulky appliances like stoves and washing machines, and oil containing devices such as radiator style heaters. Televisions and monitors must not be broken or stripped.

It is important to recycle electronics for a number of reasons. They can contain hazardous materials, such as lead and mercury, that should be handled properly. They contain different types of metals that are highly recyclable. In Wisconsin, many electronic devices are banned from landfill disposal.

The Manitowoc County Recycling Center is registered with the Wisconsin Department of Natural Resources as a certified electronics collector. This means that ALL the electronics recycled through our program are sent to reputable recycling companies who guarantee the confidential destruction of any personal data, they recycle or reuse almost all of the materials they receive, and are registered with the Environmental Protection Association and Wisconsin Department of Natural Resources.

If you have questions, visit manitowoccounty.com/recyclingcenter or call the Manitowoc County Recycling Center.

Compost Site Spring Update

Beginning April 1, the Basswood Road and Woodland Drive Compost Sites will have new hours.

The Basswood Site yard material drop off area will be open Monday-Friday, 7am to 6pm and Saturday from 8am until 6pm.

Find Your Fit— Careers in Action

The Partners in Education Committee, an affiliate of the Chamber of Manitowoc County will be hosting “Find Your Fit - Careers in Action” on April 29 at the Manitowoc County Expo Center from 8am to 2:30pm.

This event has been designed in response to local middle schools having a need for a career exploration event for their students. 7th grade students from Washington, Wilson, LB Clarke, Valders, Reedsville and Mishicot middle schools will have the opportunity to learn about three career clusters from local business representatives.

To prepare for the event students have completed a career cluster survey allowing them to make informed choices about which career cluster presentation to attend.

Presenters will provide information about the career cluster they are representing as well as the business they are affiliated with. Events like this are essential to promoting local career opportunities and to educate our future workforce.

For more information, contact Karen Nichols, The Chamber of Manitowoc County, at 920-684-5575.

Northeast WI Dog Show Classic

The Northeast Wisconsin Dog Show Classic is again set to welcome more than 1,000 dogs representing 120 different breeds to the Manitowoc Expo and Ice Center March 26-March 29, 2020.

Dogs are judged for specific characteristics unique to each breed with one dog each day being crowned Best In Show!

The event is open to the public with show hours 8am to 4pm.

Admission is free, parking is $5.

The show will give you the opportunity to see breeds of dogs you may only see in books or on television, and to speak with breeders and owners of these wonderful dogs.

There will also be a variety of vendors with products just for your canine companions.

We love all dogs but ask you to please leave your family pet at home as the high number of dogs and people can be upsetting to animals not used to the show atmosphere.

Child strollers will not be allowed in the building.

For more information please visit our Facebook page Northeast Wisconsin Dog Show Classic.
