To Our Community Partners:

Advocate Aurora Health would like to partner with you to receive the Covid-19 vaccine. This offer is made in conjunction with our role to support vaccination for health care workers in the high priority 1A category.

Partnership expectations:

- This is only for frontline, patient facing personnel. This is not for office or support staff at this time
- The invitation is not to be forwarded beyond the original receiver. If we find it is forwarded, we will consider withdrawing this offer for you and your department/business

If you are interested in this opportunity, next steps include:

- Send the names, email and location (city) of you and/or your staff to Cheryl Stoeckigt-Parra at cheryl.stoeckigtparra@aah.org by January 11, 2021
- We will send the email invitation to the names on the list that provides the unique code for them to register.

Please feel to reach out to with any questions.

Thank you,

Cheryl L Stoeckigt Parra, MSN, MHA, RN
